

Create Your Own *OmFlag*

1. **Decide where you want to display your flag.**
We recommend a window in your home, your fridge, your car, or find your own creative way to display your flag!
2. **Pick which version works for you in the pages following.**
3. **Print the page its on, be sure to indicate which page number you want to print when telling it to print so as not to accidentally print all pages.**
4. **Display in your way, and spread the movement!**
